EXT. PLATFORM ABOVE THE DOCK

11

Tyler walks over towards Rick. Rick eats french fries out of a Styrofoam container. He notices Tyler and yells at to him.

RICK

Tyler! How are ya?

They shake hands.

TYLER

I'm good. Surprised to see you here.

RICK

Never heard of, "scoping out the competition?"

Tyler smirks.

RICK (CONT'D)

(laughs)

Nah, just grabbing a bite.

TYLER

Find a new manager yet?

RICK

Still looking. Job's still yours if you want it.

TYLER

No offense, but why would I leave the highest-earning, highest-rated marina here to come work at the second-highest-earning and second-highest-rated marina in here?

RICK

Because you'd go from being an **assistant** manager **the** manager. And you'd get paid more.

TYLER

Maybe I like being assistant manager.

Tyler pulls out his phone, as if sending a signal to Rick that he's uninterested in what he has to say. He searches "Alice" on Facebook.

RICK

Well, I'm not gonna beg you. Wanted to offer it to you and see if maybe I could pull you from Bob.

Q walks behind Rick and stops, Rick doesn't notice. Q smiles, Tyler tries not to.

TYLER

Why don't you ask Q? Rumor is he's thinking of quitting here.

RICK

Q? Why?

TYLER

Says he doesn't like the wood on the docks. Prefers pine over oak.

RICK

(laughs)

Ah, you're messing with me.
