EXT. SUBURBAN STREET

70

Tyler and Johnny walk up to a suburban house, no one outside. They ring the doorbell. After a moment, an OLD LADY opens the front door.

OLD LADY

Hello.

Instead of answering back, Tyler and Johnny just stare at her with a blank face.

OLD LADY (CONT'D)

Can I help you?

Nothing.

OLD LADY (CONT'D)

Excuse me.

The old lady goes back in side. As soon as the door shuts, Tyler and Johnny burst out laughing.
